

FREE 'TASTER' WEBINAR!

RAISING ATTAINMENT, WELLBEING AND RESILIENCE

Thursday 10th June 2021

Join us for a fascinating insight into our successful 'Everyday Magic' Positive Education course and see how both pupils and staff can benefit!

**How can we help children cope?
What's the best way to support children's wellbeing?
How can we best help children succeed?**

The answer to these questions lies in Positive Psychology - the scientific study of human flourishing. When used in schools it helps create lives of meaning, happiness, wellbeing and optimism. It also helps children become more resilient when faced with setbacks, and to cope more easily with difficult emotions.

This informative and practical FREE 'taster' webinar, led by Positive Psychologist, [Julie Hurst](#), will help you discover how the science of Positive Education can have an impact on your whole school community. More and more schools are now discovering how these simple yet powerful techniques can make a difference in both the classroom and the staff room.

Learn three of the many techniques our 'Everyday Magic' course offers, so you can put them into practice immediately and see the difference.

To register, simply choose your preferred time by clicking one of the links below:

[Thursday 10th June at 4pm](#) OR [Thursday 10th June at 8pm](#)

After registering, you will receive a confirmation email containing information about joining the meeting.

We look forward to hearing from you!
